

Sreekanth V

Bangalore, India • Phone: +91 9900077023 • E-Mail: sreeix@gmail.com • Github: <https://github.com/sreeix> • Twitter: [@sreeix](https://twitter.com/sreeix)

Objective

To collaborate with smart, interesting colleagues to solve big technical problems.

Experience

Activesphere India

2010-2014

- Cofounded Activesphere and ran it for 4 years.
- Worked with a lot of startups building and scaling their applications to (tens of) millions of users working mostly with Ruby w/o Rails, Node.js and a bit of Scala.
- Released a few popular Open source packages¹ and contributed to lot more.
- Built (unsuccessfully) products like BuildCop (Hosted Continuous Integration application) and YourHires (Hosted Recruitment for large organizations).

Thoughtworks India

2004-2010

- Worked for a number of clients building and scaling large-scale software. Worked in Java, C#, Ruby on Rails and JavaScript.
- Worked out of China leading the development of the first big project from China.

Aztec Software²

2000-2004

- Worked for some interesting startups in Bay Area, almost all of it in Java.
- Worked with Microsoft on the SQL server team building their SQLiMail product. Mostly C# and a bit of C++.

Tektronix

1998-2000

- Worked at the Video Networking Division. Wrote software for 'Profile' Video Broadcast server. vxWorks RTOS backend and Windows NT frontend. Mostly C++, Smalltalk and a bit of Java for the Media organization protocol handler, Contentshare.

Education

BE. from BVM College of Engineering, VV Nagar.

[1993 - 1997]

Interests

I am interested in Programming languages, Distributed systems, NoSql Databases and Data analytics

Programming Languages: Ruby, JavaScript, Java, Racket (Scheme) and to a lesser extent: C++, SML, Scala

¹ [NodeToolbox](#), [Redis Proxy](#), [Hat.js](#)

² Later acquired by Mindtree

Databases: CouchDb, MySql/Percona, Redis, and to a lesser extent: Postgres, Cassandra, MongoDB

Data Analytics: R, Hadoop and to a lesser extent: Pig

I have given a few conference talks: RubyConf India (2010, 2014) and JSFoo (2012, 2013), DevopsDays (2012), Redis Conf (2014). but I am a hopeless speaker

Other Interests

Cycling: I do long multi day tours, Tour of Nilgiris, Tour of Tamilnadu, Manali-Leh and Brevets.

Travelling: I'm only Antarctica away from completing all Continents.

Photography: Nikon, 18-200 Nikkor, 10-20 Sigma, 70-300 Nikkor, 50 Nikkor.
